At the request of the Deputy Clerk, we are trying to develop a document that can be used publicly by Ministers to explain powers obtain under EA and gaps filled by the measures enacted under the Emergencies Measures Regulations and the Emergencies Economic Measures Order. We want to make sure that what we are saying remains in line with what other departments have made public so far.

Thank you.

Hi Daniel

Finance has a News Release and a speech by the Minister – Marie Elise (copied) can provide you with what Finance Comms has.

As we keep answering questions, additional lines keep being developed so I would expect an update.

Jenifer,

I have asked for media lines and open (non solicitor/client) information from JUS coms who provided me with the attached. I cannot see any "finance" media lines in there. Would you have anything you could share with me? Would you have TPs / Q&As on enforcement measures we could use as well?

Happy to discuss if needed.
